The Honorable Stansfield Turner
Director
Central Intelligence Agency
Washington, D. C. 20505

Dear Admiral Turner:

I have reported to the Select Committee on Ethics your letter reply of June 29th to our request for information concerning activities of representatives of the Republic of Korea affecting Members of the Senate and that the Agency has cooperated with the Select Committee on Intelligence in this regard.

At its meeting of July 19, the Committee agreed it should accept your offer of a meeting to discuss how you can best assist it to carry out its objectives. If you and appropriate officials of the Agency can schedule such a meeting, Members of the Committee, but no staff, would attend. To minimize transportation and Senate absence problems, perhaps it would be possible to find a time convenient for you and your staff to meet with us at the Capitol. The Chief Clerk of the Committee will telephone your office at the end of the week to determine if the meeting can be arranged and, if so, to discuss details.

With thanks for your continued cooperation and best wishes.

Sincerely,

AES:mm

Dear Sirs:

Thank you for your letter of 13 June 1977 concerning your interest in any information which the Central Intelligence Agency may have which represents evidence of illegal activities by representatives of the Republic of Korea affecting Members of the Senate.
